

# The Growing Phenomenon of Workplace Violence

Each year, approximately 2 million people in the United States are victims of violence in the workplace.

How safe is *your* workplace?

~ A free program for you to attend ~

Although many employers on Long Island prefer to think "it can't happen here" the truth is...

*It can.*

*It does.*

And employers need to be taking the most effective steps

*--now--*

to ensure the current and future safety of their employees.
